

Topic: Develop word choice skills/practice vocabulary and parts of speech.

Preparation: Download and install the [Mad Libs App](#)

Appitivity:

1. Review with students the definitions of the various parts of speech.
2. Prompt students to reflect and discuss what makes one word a better choice than another.
3. Launch the Mad Libs App and go to one of the preformatted mad lib exercises. Students begin by filling in words from their own vocabulary and classroom vocabulary lists.
4. Use the Hints Menu if needed to find word choices.
5. Practice reading the new story, then share with small groups or the class.
