Voki is a free service that allows you to create personalized speaking avatars and use them on your blog, profile, and in email messages.

Voki for Education

Voki is a unique tool to engage students in creative expressions. You can customize your Voki to look like you or take on the identity of lots of other types of characters... animals, monsters, anime, etc. Your Voki can speak with your own voice which is added via microphone, upload, or phone.

Visit the [Teacher's Corner](#) for many tips and lesson ideas.

Creating Your Avatar
